

Cross-Industry Compensation Survey

Gain an unprecedented level of information about your company's compensation and benefits, matched with your industry peers and thousands of distributor locations.

SPONSORED BY:

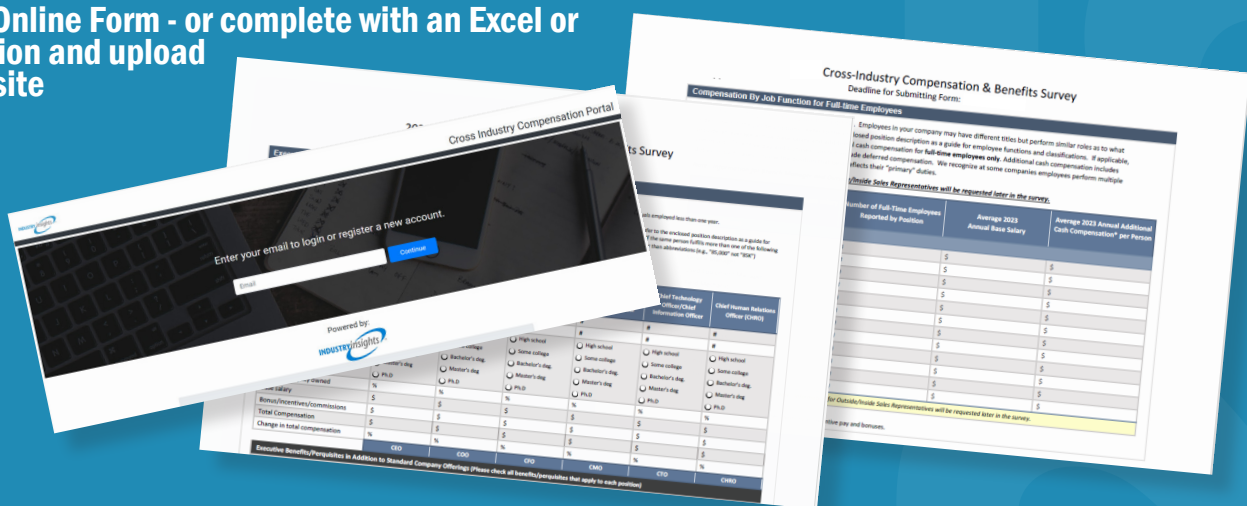

Results will provide executive pay statistics for CEOs, COOs, CFOs, etc., as well as compensation levels of the most common staff positions.

COMPLETE BY
MARCH 16

SURVEY

NEW THIS YEAR! Incumbent-based results to provide more accurate and comparable results across experience levels, locations, and company sizes, improving the overall quality and usefulness of the benchmarking data.

Use the Online Form - or complete with an Excel or PDF version and upload into the site

RESULTS

- Complete your survey before March 16 – www.compensationbenchmarking.com/CDA
- Receive:
 - * Comparison report for your industry, as well as comparisons with thousands of other distributor locations
 - * Your own personalized Company Compensation Report
 - * An Excel file of key aggregates (including data reported at the state and MSA levels as samples allow)

Note: all data are confidentially maintained by Industry Insights, Inc., an independent research firm.

Information that fuels growth.

DATA SECURITY

- A third-party fiduciary manages the web-application and database
- Individual company data remains confidential and secure; only industry data is reported
- Web and data services reside on a private network protected by a robust hardware firewall
- All web connections are encrypted with SSL security, similar to major e-commerce sites, banks, etc.
