UNIPRO FOODSERVICE ADDS TWO NEW MEMBERS

ATLANTA – UniPro Foodservice is pleased to welcome two new Members to the cooperative!

1. CIISA (Centro Internacional de Inversiones CII S.A.)

Headquartered in Costa Rica, CIISA is a premier food company known for its strong national and international reputation for quality. Operating under the **Belca FoodService** brand, CIISA serves a diverse range of foodservice customers with beef, pork, and a variety of value-added products.

2. Corona Food Service

Based in San Antonio, Texas, Corona Food Service is a family-owned broadline food distributor known for its dedication to quality products and personalized service. Founded in 2018 by industry veterans Hilda and Daniel Corona, the company has quickly grown to serve a wide range of customers across South Texas. Their extensive product offering – including meats, dairy, groceries, cleaning supplies, and foodservice disposables – along with their customer-focused approach, aligns well with UniPro's mission and values.

We welcome CIISA (Centro Internacional de Inversiones CII S.A.) and Corona Food Service to UniPro.

About UniPro Foodservice:

UniPro Foodservice, Inc. is the leading foodservice distribution network in the United States, comprising more than 475 companies, each marketing the products and services provided by UniPro Foodservice. UniPro today is a combination of 15 former groups that have merged and come together over the years providing unified strength and independent solutions to all our Members and partners.
