Atlanta – UniPro Foodservice, Inc. hosted more than 1,500 foodservice professionals in Nashville, Tennessee. UniPro's Fall Conference was held at the Gaylord Opryland Resort and Convention Center from November 3-5, 2025. "The attendance, engagement and energy at the Fall Conference was a strong affirmation: we are accelerating our commitment to strategic growth and delivering maximum value for every one of our Members and Supplier partners," said UniPro CEO Bob Stewart.

We welcomed over 20 NEW UniPro Member distributors YTD as well as many NEW Supplier and Service providers who recognize the value in partnering with the largest foodservice cooperative in the U.S. Our agenda featured daily one-on-one sessions as well as corporate updates led by Bob Stewart and UniPro's senior executives. Being the Home of the National Brands is still front and center at UniPro with an emphasis on manufacturer brands being well over 90% of our volume overall. We capped off the sessions each evening with a social event, including a memorable night of great food, fun and entertainment at the iconic JBJ's on Broadway in downtown Nashville.

The launch of our new optional MindShare Tracks the first afternoon was a major highlight. Hundreds of Members used these sessions to exchange valuable ideas and explore UniPro's strategic resources across critical areas like Sales & Marketing, how to further leverage our overall volume to drive mutual success as well as a deeper dive into our successful portfolio of Exclusive Brands.

Our Executive Conference will be held February 23-25, 2026, at the iconic Biltmore Hotel in Phoenix where we will bring 400+ senior executives from both our Member and our key Supplier partners. Then, our next large event will be our 2026 Spring Conference will be held at the Gaylord Palms Resort and Convention Center in Orlando, Florida from March 30 to April 1, 2026.
