Andy Plummer, AMCON Distributing Company, to Chair Convenience Distribution Association in 2026

SEPTEMBER 9, 2025 – PHOENIX - The Convenience Distribution Association (CDA) announced today that Andy Plummer, AMCON Distributing Company, Omaha, NE, was elected to serve as 2026 Chair at the association's Annual Membership Meeting, which took place at CDA's Convenience Distribution Business Exchange (CDBX) event in Phoenix.

"Serving as Chair has been one of the highlights of my career," said 2025 CDA Chair Jodi Buckner, Lyons Specialty Co., LLC, Port Allen, LA. "With Andy stepping in as chair, CDA is well equipped to grow stronger and support distributors in the year ahead."

With more than 20 years of experience in convenience distribution, Plummer currently serves as AMCON's president and chief operating officer. He began his career as a Certified Public Accountant, and it was during his time on the external audit team for AMCON that he was recruited to join the company, launching his career in the industry.

Today, Plummer oversees all operational functions and is responsible for executing the company's strategic objectives and growth strategies. Before this, he served as chief financial officer, where he managed all financial and compliance aspects of the publicly reported company.

Plummer has been a longstanding and engaged contributor to CDA. A member of the association's Board of Directors since 2020, he was elected to the Executive Committee in 2023 and has served as CDA Treasurer, chair of the Finance and Audit Committee, and continues to serve on the Industry Affairs Committee's Candy and Snacks Subcommittee.

"It's a great honor to step into the role of Chair of CDA. I take great pride in this responsibility, as it means representing the hard-working convenience wholesale distributors who are the backbone of our industry," said Plummer. "I extend my sincere gratitude to all previous chairpersons and leaders for their guidance and vision; they've built an incredible foundation for us to drive success for our membership."

"I am confident that Andy is the right person for this time – bringing the vision, steadiness and leadership that CDA needs to guide us forward into this next chapter," said Kimberly Bolin, CDA president and CEO. "Andy understands where we've been, sees clearly where we're going and cares deeply about the people who make CDA what it is."

Plummer has been married to his wife, Teresa, for 27 years. They have two daughters and one son. Their oldest daughter is a second-grade teacher in Omaha, while their other daughter and son attend the University of Central Florida and the University of Nebraska, respectively. In his free time, he enjoys traveling with his family, playing golf and hiking.
